

Base Color Selection For Pendants:

The pendants above will reflect different colors due to the multifaceted iridescent color schemes. Base color will be visible from the side and back, but the front will vary. Some will reflect purples, while some will show other colors such as blue. No two pieces look the same, making each one as unique as the life they represent.

forever

Nothing is more precious than your memories of your cherished loved ones. Why not memorialize them forever in the most beautiful and artistic way with Crescent Art Glass? By putting a small amount of remains into Art Glass, you and your family can keep your loved one's cherished memories forever in your heart and forever in your home.

unique

Made in the USA by Crescent Memorial's specially trained glass artists, Crescent Art Glass is the most artistic and beautiful cremation glass art today. Our process utilizes special methods to combine cremated remains with glass. This creates a stunning, hand-made, solid glass work of art that is as unique as the loved one it memorializes.

breathtaking

Each piece is stunningly unique - no two are ever the same. Since each piece is a unique, hand-crafted work of art that incorporates your loved one's remains, the overall look and color variations may vary slightly on each piece.
